

This past Sunday Pastor Ernest shared with us on the topic of “Discerning of Spirits”.

1 Corinthians 13:9-10 speaks to us about the gist of discerning of spirits.

Different kinds of spirits:

1. Spirit of deception
2. Spirit of sickness
3. Spirit of lying
4. Spirit of divination
5. Spirit of opposition

Ephesians 6:12, 2 Corinthians 10:4, 1 Peter 5:8, Isaiah 54:17, Isaiah 59:19 and Numbers 23:23 tells us how we are to deal with the different spirits.

#### Practical Application

1. Do you believe that the “Discerning of Spirits” is still applicable for today?
2. How can our lives be different if we are aware of the spiritual realm and discern spirits?
3. The scriptures are very clear that we have the power through Jesus Christ to fight and dispel all “evil spirits”. Does this encourage you to take a more aggressive approach to the matter?
